

# Together On MISSION

## **STAYING READY HAS SAVED LIVES!**

The Ready Fund is a pool of resources that enables responders and local churches to rapidly respond to emergencies around the world. The most essential time for action is immediately after a disaster.

## **THIS IS WHAT WE ARE CALLED TO BE READY FOR!**

The Ready Fund equips the local church to meet people in their greatest hour of need, getting critical supplies to disaster areas immediately.

## READY FUND RESPONSE PARTNER

More lives are lost in disaster aftermath when people cannot access their basic needs. Food, drinkable water, shelter, medicine, prayer, help and assistance is what Foursquare Disaster Relief brings to people in their darkest hours.

**OUR READY FUND PARTNERS HELP US  
MINIMIZE THAT DAMAGE BY ALLOWING  
QUICK AND EFFECTIVE RESPONSE  
IMMEDIATELY.**

This Christmas season, partner with us to build up the Ready Fund so we can respond to global hunger and disasters when it matters most.
