

Together On MISSION

As we look back over the past year, we're grateful for the lives we've saved together!

The Foursquare Disaster Relief (FDR) Ready Fund is a pool of resources that enables responders and local churches to rapidly respond to emergencies around the world. The most essential time for action after a disaster is immediately. This is what we are called to be ready for.

The Ready Fund equips the local church to meet people in their greatest hour of need, getting critical supplies to disaster areas immediately.

This holiday season, give the gift of peace of mind

Because Ready Fund Partners give, we are able to deliver aid in the greatest time of need. We've responded to dire situations all over the world, bringing the hope and the love of Jesus to everyone we encounter by partnering with local churches. We bridge the gap between the proclamation of Jesus and demonstration of Jesus' love and compassion in tangible ways. Many of the disasters don't even make the news, but FDR is assisting 50+ disasters per year. Here are a few we served in:

**Hurricane Ian • Hurricane Ida • Ukraine War • Venezuelan Crisis
Response • Covid-19 Hunger Crisis • Project Nourish • Myanmar Crisis

TALKING POINTS

- There are more disasters that occur around the world than what we are aware of.
- Foursquare Disaster Relief attends to people in their darkest hours of need by providing life sustaining resources to those in disaster areas.
- Life and death hang in the balance of the initial hours following a disaster.

- The Ready Fund eliminates the waiting time of fundraising after a disaster.
- The Ready Fund is utilized for hunger-related initiatives as shock hunger and famine become a global issue. 325 million are “marching toward starvation” and experiencing “shock hunger” with 44 million people in 38 countries are at emergency levels of hunger.

Disaster recovery is a long process, sometimes taking years. With Ready Fund relief in place, we jumpstart the process of helping those affected to get back on their feet as soon as possible.
